

YOUR ARRIVAL

Please let us know your flight details as soon as you can, so that we can ensure that we have volunteers to meet you at the airport and help make your journey to your hotel smooth and easy. **Volunteers will be easy to identify with their Gojukai Fist signs and bright t-shirts.** Due to the large number of participants and the small core of volunteers, we cannot provide individual transportation to your hotel, but we will be able to escort you to the shuttle bus stop, the rental car desk, or the public transit (Skytrain) platform, and provide you with instruction on how to get to your hotel.

Hotel shuttles from the Airport: For Sheraton, Sandman, Executive, Marriot, & Westin All Hotels have regular shuttle service between at least 5AM and 11PM. These shuttles run every half hour and hold approximately 19 people depending upon how much gear has to be loaded. If you are arriving after the regular service time, please contact your hotel front desk to make sure a shuttle bus has been booked to pick you up.

Public transit from the Airport: via Skytrain on Translink go to: translink.ca for schedule, map, fares, etc. Skytrain service (Canada line) from the Airport to Richmond. Service from 5AM to 12:50 AM. Take the train from the airport to Bridgeport station then transfer and head south towards Brighouse Station. There is a \$5 "Addfare" which applies to outbound airport trips.

Taxi Stand: Located on level 2 of the Vancouver Airport domestic and international arrivals area. Taxi drivers are licensed and zone fares apply from the the airport to specified zones.

Rental car services from the Airport: If you have booked a rental vehicle and have opted to pick up the vehicle at the airport, we will help you find the rental car desk in the airport, and show you the best route to your hotel

Private chauffeured car service: you can hire a service to meet you at the airport and transport you to your hotel. <https://www.griffintransportation.com>

Uber/Lyft/etc: Vancouver does not allow ride-sharing at this time, so be aware that it is not an option here.
